

# SHARE A SEDER

On the **first** night of Passover, families and friends gather together in their homes to share in the rituals of the age-old Exodus story, to create new traditions around their tables, and to savor the meal that begins this beautiful Jewish festival.

**Temple Micah would like to ensure that everyone is able to enjoy a first night seder**

In that spirit, on **April 12th**:

How many seats are available at your seder table? \_\_\_\_\_
